

March 26th is Purple Day!

Learn more about epilepsy at
Evanston and Glenbrook Hospitals

Wear Purple on March 26th and encourage others to do the same!

Purple Day is a global effort dedicated to promoting epilepsy awareness. It was founded in 2008 by nine-year-old Cassidy Megan of Nova Scotia, Canada. Cassidy's dream is to inform people around the world about epilepsy.

Epilepsy affects more than 50 million people worldwide.

Visit our tables in the cafeterias of Evanston and Glenbrook Hospitals on Purple Day, where you can speak to our epilepsy nurses and receive brochures and other educational materials.

Get the facts about epilepsy. Visit purpleday.org

*This Purple Day event is sponsored by the
Neurology Department and the Pediatric Neurology Department
of NorthShore University HealthSystem.*

For more information on our event and treatment options for epilepsy,
contact us at (847) 570-2570 or (847) 570-2577.

**"I want people to know that if you have epilepsy, you aren't alone."
- Cassidy Megan**
